

# WALKER BAGS

## INSTRUCTIONS

Each kit contains:

2 18 x 27" pieces of fabric

2 10 x 18 pieces for pockets

8 ties

1. Fold over and sew a small hem on one side of the pocket (10x18")
2. Take the 18x27" fabric that matches best with the pocket and lay flat. Put a pocket (right side up) on each end with the hem towards the middle.
3. Place the ties on the pockets (see picture below)
4. The second 18x27 piece is laid right side together on top of step #2 above.
5. Start stitching around the fabric leaving a space wide enough to turn the fabric. Turn fabric and stitch over opening.
6. Stitch one line up each pocket to make two pockets (see picture below)
7. Optional: you can top stitch around the entire bag.
