Spring is in the air here in southern Utah, although I hear my family and friends in northern Utah got a bunch of snow last night, I'm so glad I moved south. :) Anyways, what's more fitting than a **Flower Star** quilt block tutorial on a nice spring day?

To make this into a 96"x96" quilt you'll need the following fabrics:

Pink fabric:

3 <sup>7</sup>/<sub>8</sub> yards

Gray fabric:

1 <sup>1</sup>/<sub>8</sub> yards

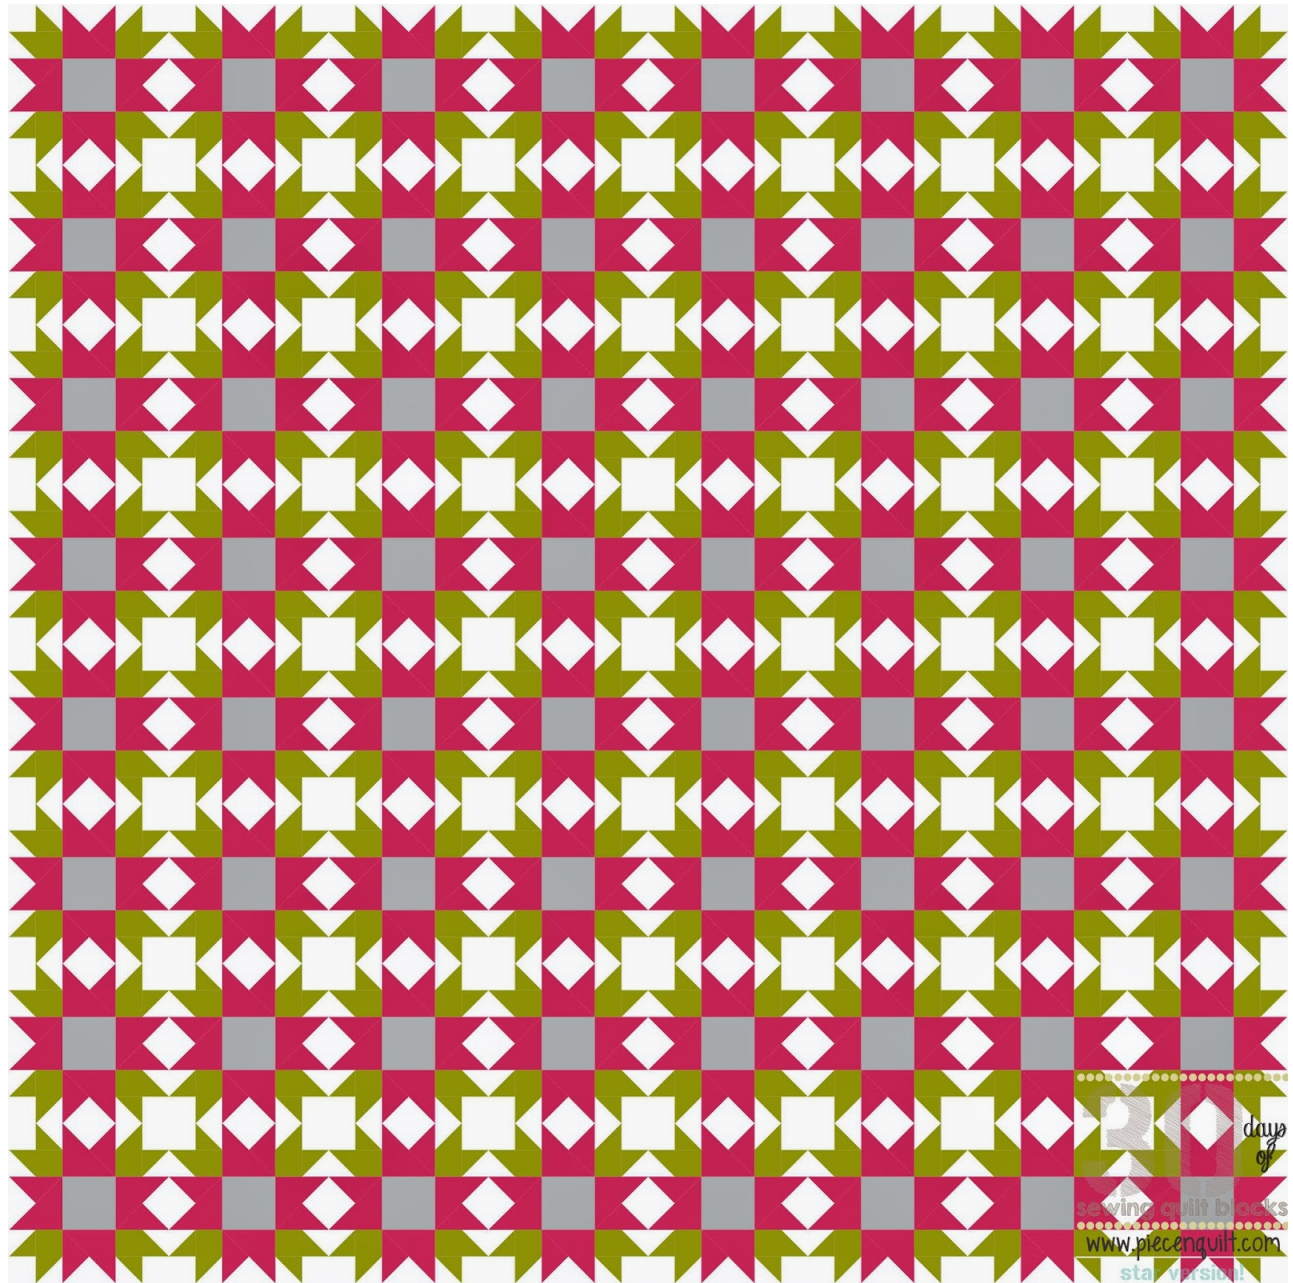

Green fabric:

3 1/2 yards

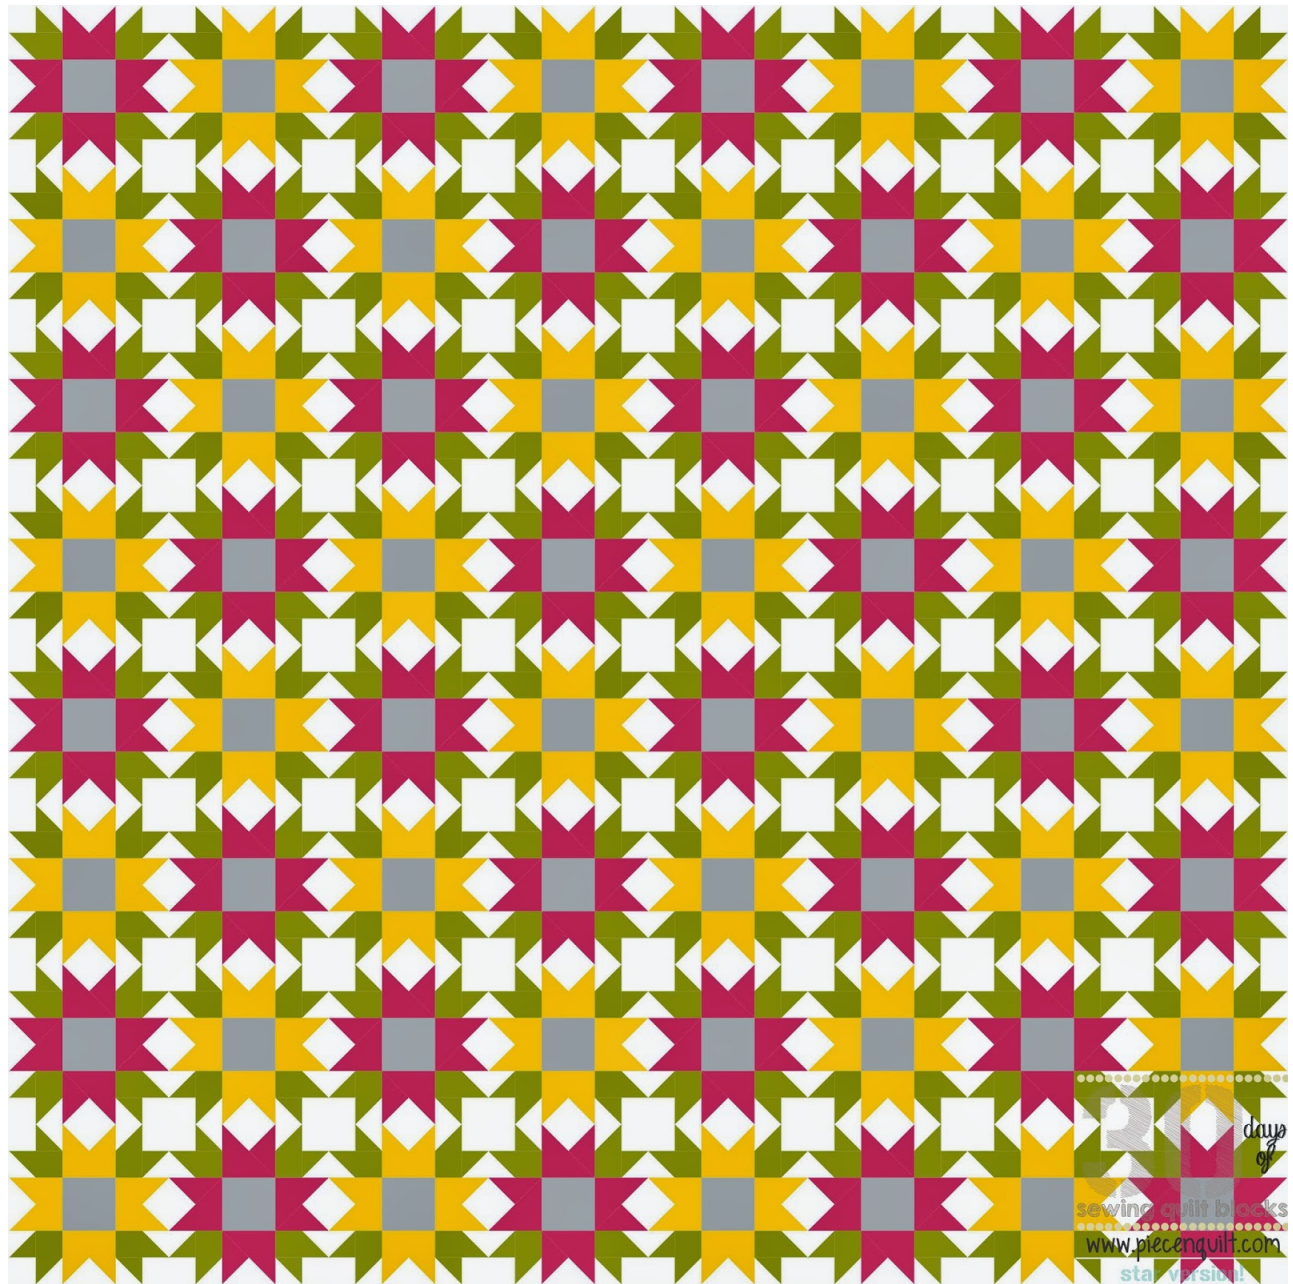

White fabric:

4 1/4 yards

I love this version, it's cute, and it's kinda cool that the flower disappears.

I had to see what it would look like with a color variation, to me switching every other block to yellow really makes the flower pattern pop!

Hope you all enjoy!
